“*Condolences to the Blakely family. I knew Edwin and his brother David from childhood growing up in Odessa. I use to go down to fitch street and they were the brothers that lived on the corner that could play any sport very well. David was in my class. Edwin was a very good athlete and student. Just good people. Someone we all looked up to. Whenever I went back to Odessa, I always asked if anybody had heard from them. May God give you comfort during time time of tremendous loss.*

“*I used to call him: "Mr. Eddie's father". It was from a TV show a long time ago. It was just a loving name and he'd smile when I called him that. Eddie was one of my original trainers when I first started working at BOC. He was always encouraging and a great coworker. Comfort and peace to the family. Rest in heaven "Mr. Eddie's father", you will be missed!*
