“ Dad and Momma Jones, first met them when I worked at Safeway. My husband Bill knew them from the old Denny's. Later got to know them better when I worked at Denny's and they would come in for their coffee. Seemed to be the way they loved to end their day. Sweet nice people. If there is a Denny's in Heaven, they are there. Our deepest condolences to the family.

“ Grandpa Jones will be greatly missed. Loved talking with him about the good ole days, dennys, the changes in barstow and John Wayne movies. I will always remember ❤️ Grandpa you are loved and missed. I remember all the toys he would get from the machines at dennys. He would give them to the kids. He was great!
