“ *I knew Michael for a short time when he was 11 & 12 near Glendale Ca. He was the most wonderful boy with the most loving heart. I have always cherished the time I was able to spend with him. I have some pictures of him during that time period including a school picture and of him laughing and having fun if you would like them. It breaks my heart to know that such a fine young man should die so young.. My condolence to his children, brother and sister and parents. Mary Ellen me Leah@frontier.com*

“ *Dad, was my world. My first love, my best friend, someone who never gave up on me, always encouraged me, loved me unconditionally, would always love to teach me no matter what it was. Always adventurous, and so laid back, I may have not told him enough how thankful I was to have him as a father. He was perfect to me, I'm gonna miss him so much. I will forever cherish every moment, and continue making him proud, & keep that promise that I made. Always Daddy's girl ❤️*

“ I met Mike as a fellow tradesman over ten years ago. He helped me with several painting projects and we had a lot of fun along the way. I'm very glad that I was able to talk to him several times in the recent past before he took his journey to be with the Lord. Mike was a very good man and will be missed. I have many good memories of him. Dave Rinne
