Obituary

After a battle with cancer, Rosa Amelia Villao passed away peacefully on January 3, 2020 in Rancho Cucamonga, CA at the age of 67.

Rosa was born on December 2, 1952 in Huaral, Peru to Raul and Carmen Sanchez. As a child she excelled in school. After college she moved to California.

Rosa met her husband, Manuel Villao in 1983, it was love at first sight. They married three years later on March 30, 1986 and went on to have two children, Jose and Carla. She especially loved her role as grandma to Jade and Jaylin. Her family meant more to her than anything else in the world and she was determined to provide for her family and give them the life she felt they deserved.

In addition to being a dedicated and loving mother, Rosa also loved working in her garden, spending time with her loved ones, and devoting her time at Church. Throughout her entire life, she held an unwavering faith in God, which she shared with those who surrounded her.
