October 24, 1921 - December 23, 2020

Obituary

Sadie Lee Jones, age 99 years old, died peacefully of natural causes on December 23rd, 2020 at home in Rancho Cucamonga, Ca. She is survived by her daughter, Denise Thompson of Rancho Cucamonga, CA and a host of relatives and friends.

She was affectionately known by many names; Aunt Sadie, Cousin Sadie, Sadie Mae, Miss Sadie, Mother Jones, Sadie Bones Jones, and the name she held most dear, Granny.

In 1969, she united with Praises of Zion Baptist Church. She loved serving the Lord and serving under her Pastor, Reverend J. Benjamin Hardwick and First Lady, Thelma Hardwick. She faithfully served on the Deaconess Board, Mother's Board and as a member of the Alter Guild and Naomi Circle. In 2013, she moved to Rancho Cucamonga to live with her daughter and she attended New Direction COGIC, Bishop Raymond E. Watts, Pastor.

Sadie was known for being an excellent cook. She could cook and bake anything and never needed to look at a recipe. She would often host family dinners and enjoyed the company of her family. Sadie was quick-witted and always had something memorable and funny to say.

A graveside service will be held Friday, January 8th at Inglewood Park Cemetery. A recording of the service and a video tribute will be available to view at a later date.

“ Always, I will love my cousin Sadie. I have more than a thousand wonderful memories of the generosity, hospitality and fun loving times with cousin Sadie. In the 1950s I remember cousin Sadie and cousin Callie sending to us in Monroe, LA. boxes of school clothes each year. And after moving to California after graduating high school we would come to cousin Sadie and cousin Roy's house on 76th & western and what a great time we would have with cousin Sadie cooking a wonderful meal and all the time keeping us laughing with story about herself or one of our relative. As a young adult I still remember a private conversation she had with me mouthing off about some people in a relationship and cousin Sadie saying "Wanda Faye if you were there holding the flashlight there is nothing for you to say", And from that day forward I don't say anything about people in a relationship. I want to say that Denise has been a wonderful daughter to our cousin Sadie. The grandsons Aaron and Durrell has always been her pride & joy. Allen & I share a special incident about cousin Sadie were still laughing about. it. And I want to end my memories by saying always I will love my cousin Sadie.

“ *Wow... It was a pleasure growing up across the street from Mrs Jones, She was hard working, Serious about her faith and always dedicated to serving. I use to wonder why Denise had to cook after coming home from School, and of course I found out the hard way, Cooking is a necessity and although I'm a good cook now, it took a lot of phone calling home to get it right! She was a great neighbor, And served well. You'll never be forgotten. God's Blessings Always!! Jacqueline Brown*
